What is Camp Mariposa?

Camp Mariposa® Tennessee is an addiction prevention and mentoring program for children affected by a family member's substance use.

What does the program offer?

Camp Mariposa offers youth transformational weekend camps multiple times a year. Campers participate in fun traditional camp activities combined with education and support exercises led by mental health professionals and trained mentors. Additional educational, social and mentoring activities are offered for campers, teens, and their families throughout the year. These activities build knowledge, coping skills, confidence and an opportunity to connect with one another. Camp Mariposa provides a safe, fun and supportive environment critical to help break the cycle of addiction.

How do children benefit from participating?

Every year, countless children are affected by a family member's substance abuse. No child should face this struggle alone. Our unique program gives children the chance to cry, laugh, grow, and heal. Kids meet other kids in similar circumstances, and together, they grow stronger.

Any child (ages 9-12) living in East Tennessee area that is impacted by a family member's substance use.
