

Proudly providing services for **over 20 years in Florida's Gulf Coast**

WestCare GulfCoast-Florida is dedicated to empowering everyone with whom we come into contact to engage in a process of healing, growth and change benefiting themselves, their families, coworkers and communities. As a behavioral health and human services non-profit committed to delivering high-quality and cost-effective services, our diverse team of experienced, credentialed staff provides the best care to everyone who enters our doors. With partnerships in mind, our organization's philosophy is Uplifting the Human Spirit through our continuum of care in the following service domains.

Together, we believe there is an opportunity for all individuals to lead fuller, richer lives.

We are dedicated to changing the lives of individuals needing substance use or co-occurring treatment. WestCare GulfCoast-Florida offers a variety of short and long-term residential substance use disorder treatment programs that provide evidence-based, gender-responsive, trauma-informed treatment services and recovery support services for adults in the criminal justice system. Transportation assistance is also available for residential clients.

- Men's Residential
- Women's Residential
- MAT (Medication Assisted Treatment) Program

We are focused on providing emergency shelter to individuals looking to begin their recovery journey. Turning Point is an emergency intervention shelter and the only inebriate receiving facility in the area that provides services to homeless adults with substance use issues. Individuals at Turning Point have not yet begun a recovery journey away from alcohol and drug abuse. Turning Point's goal is to provide temporary shelter, nourishment, showers, case management, counseling, skill-building groups, and 12-step meetings. The Mustard Seed Inn offers 73 beds to homeless adults for transitional living and treatment for substance use, co-occurring substance use, and mental health disorders. Services include case management and job support with the goal of transitioning clients into permanent housing.

In partnership with the Sixth Judicial Circuit of Florida, WestCare provides various outpatient and inpatient treatment services. We provide recovery support services for adult participants of specialty treatment court programs in Pasco and Pinellas Counties, including Adult Drug Courts and the Veterans Treatment Court. WestCare uses an initial assessment to provide an individualized plan to participate in targeted groups and classes.

- Adult Drug Court

Veteran Services

We devote our best efforts toward assisting Veterans. WestCare GulfCoast-Florida offers specialized supportive services, including our Veterans Mentoring Program and Batterers' Intervention Program. In our Veterans Mentoring Program, mentors meet with Veterans in our residential treatment a minimum of one hour a week for a six-month minimum commitment. Batterers' Intervention Program groups meet weekly.

Education & Prevention

We utilize a variety of grassroots outreach efforts to increase community education on various health, recovery, and social issues. Our goal is to educate the communities we serve to empower them to prevent alcohol and drug use, reduce harmful behaviors and learn more about preventable health concerns. To employers, WestCare offers residential clients a Workforce Readiness Program to assist businesses in retaining their workforce while employees retrieve treatment services. Aftercare and Recovery Maintenance is available for relapse prevention education and support groups to all WestCare clients and alumni.

In partnership with the Eluna Network, WestCare GulfCoast-Florida hosts Camp Mariposa, a year-round addiction prevention and mentoring program for children ages 9-12 affected by the substance use of a family member. Youth attend free day and weekend camps throughout the year.
