

Proudly providing services for **over 15 years in Puerto Rico**

WestCare Puerto Rico is dedicated to empowering everyone with whom we come into contact to engage in a process of healing, growth and change benefiting themselves, their families, coworkers and communities. As a behavioral health and human services non-profit committed to delivering high-quality and cost-effective services, our diverse team of experienced, credentialed staff provides the best care to everyone who enters our doors. With partnerships in mind, our organization's philosophy is Uplifting the Human Spirit through our continuum of care in the following service domains.

Together, we believe there is an opportunity for all individuals to lead fuller, richer lives.

Housing Opportunities

We are focused on providing critical and quality services to assist individuals and/or families to quickly regain stability in permanent housing after experiencing a housing crisis or homelessness. Our Continuum of Care programs offers a coordinated entry system to provide adult males emergency shelter in partnership with U.S. Probation. Guara Bi Caguas provides transitional housing units and offers substance use disorder treatment, therapies, life skills, case management, and transportation. Guara Bi Carib and Guara Bi Caney provide permanent housing units, case management, life skills, and transportation. Guara Bi Bartolo Joy provides emergency shelter, case management, and transportation to men and women ages 60 and older.

Criminal Justice

WestCare partners with the Department of Justice and U.S. Probation to provide services. Guara Bi Manaya provides services for female crime victims. Services include shelter, social services, case management, a psychologist, companion, emergency line, intervention, and therapies. Guara Bi Caribe is an offender reentry program that provides services to offenders who are within four months of release from prison. WestCare provides case management, an assigned social worker and psychologist, as well as job placement opportunities to help ease the transition of those we serve into every day life.

Education & Prevention

We utilize a variety of grassroots outreach efforts to increase community education on various health, recovery, and social issues. Our goal is to educate the communities we serve to empower them to prevent alcohol and drug use, reduce harmful behaviors and learn more about preventable health concerns. Our Guara Bi Guaitiao program provides substance use and abuse prevention services such as case management, community outreach, educational talks, rapid HIV testing, interagency referrals, counseling, and Botvin Modelled Support Groups. In addition, WestCare educates youth ages 13 to 24 who engage in risky sexual behaviors to mitigate the rise of STIs in this high-risk population.
