

Proudly providing services for **over 17 years in Illinois**

WestCare Illinois is dedicated to empowering everyone with whom we come into contact to engage in a process of healing, growth and change benefiting themselves, their families, coworkers and communities. As a behavioral health and human services non-profit committed to delivering high-quality and cost-effective services, our diverse team of experienced, credentialed staff provides the best care to everyone who enters our doors. With partnerships in mind, our organization's philosophy is Uplifting the Human Spirit through our continuum of care in the following service domains.

Together, we believe there is an opportunity for all individuals to lead fuller, richer lives.

Criminal Justice

WestCare operates Corrections-Based programs in seven facilities in Illinois. At Sheridan Correctional, WestCare provides long-term intensive treatment services that include: family reunification, young men's aggression management, fatherhood, and recreational therapy configured to individuals' needs. DuQuoin Bootcamp operates a pre-sentencing program through which successful clients can have their sentencing reduced to time served with supportive services such as group counseling for cognitive behavioral therapy and other individual groups. Our Dixon Springs Bootcamp formalizes daily schedules to include work assignments, physical training, and services to include: substance use disorder education, cognitive behavioral therapy (CBT), anger management, parenting groups, Seeking Safety groups, monthly individual counseling, and reentry planning. The Harrisburg IDHH Illinois Youth Center provides age-appropriate substance use disorder treatment services, utilizing a 7-Challenges curriculum.

Treatment & Rehabilitation

We are dedicated to changing the lives of individuals needing substance use or co-occurring treatment. WestCare Illinois is certified to provide Level I (Outpatient) and Level II (Intensive Outpatient) substance use disorder services for adults and adolescents. Services include individual and group support, case management, referrals and linkages to housing, employment, education, medical and mental health services, recovery support, assistance with state benefit applications, medication-assisted treatment (MAT) offered on-side (Vivitrol), and Naloxone education and distribution. Services can be provided in English and Spanish via telehealth or in person at our Chicago Pilsen neighborhood office. Additionally, our Recovery Support Services and outpatient services provide recovery coaching and support, recovery skill development, and spiritual support.
